

Give
it to
me.

Hey

Just
hand
it
over!

Are you
someone
from the
museum
too?

I am

Thank
you

How

It's
true.
It's a very
beautiful
color

Yeah.

Look,
I
have
a
rose
too

Same
for
me

Thought
I don't
remember
much

I was at
Guertzen's
art
exhibition
with my
family...
Then I
somehow
ended up in
this weird
place

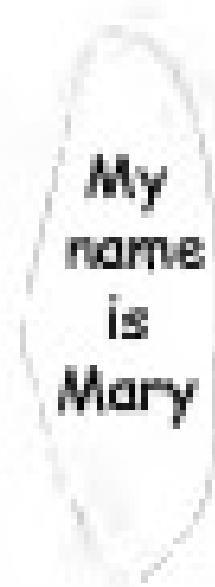

Shall
we
go
together
?

It's
dangerous
for a little
girl to go
out alone

Okay?

And
you
?

My
name is
Garry.

My
name
is
Mary

GYAAD

AADAH

HHH

!!!

MARYYY!!
HURRYYY!!

AAAAAAAH
HHH!!!!!!

Eh

Evie

That
should
be far
enough,
I think.

Are
you
asleep?
You
must
be
tired
too.

Hey
Mary
?

Yes
?

Home
?

Shall
we
take
a
break
?

Eve!

Who
might
this
be

H-
Hey!
Are
you
okay?

Could
she be
from the
museum
too?

Muh...?
A rose.
She got
a red
rose.

Don't
worry,
Garry.
She
probably
just
fainted

Her
rose
still
looks
fine.

Don't
worry.
we're
your
ally

You
can
still
react
up
if you
want

You're
finally
awake.
huh?

Yup

Thank
you

Is
this
yours?

Oh,
that's
right

I have
a candy
in my
pocket

After
all

My
name

is
Eve

Eve?
That's
a
really
nice
name

And
this
girl is
Mary

I'm
Sorry.
I might
speak
this way,
but I'm a
man

I was
the
one
with
her all
along

Nice
to
meet
you, Eve

No
good
!

How
come
he
didn't
give it
to me?

Gerry never
was supposed
to be here.

What matters
is Eve
She's the one
I want

It's
supposed
to be
only me
and Eve
from here
on.

She's it

Are
you
okay
12

Eve

Strange...
This is strange...

and I
miscalculated
my timing!

t • v

As I
expected,
he's in
the way

I
wonder
if Extra
is okay...

You
might
be
right

So
she
will
be
fine

Eve is
not as
weak as
you
think,
Sorry

So
much
she's
strong
and a
good
girl

Eve
would
go on
for an
retrieve
Sorry's
rose by
herself

You
know

It
was
Eve
who
did

You
are
who
you
are

But in
reality,
your
memory
is in a
mess
because
you're
tired

Even if
it's in
this little
world,
you're
the one
who
saved me.

In this
little world,
I've simply
repeated
everything
that Eve
would have
done

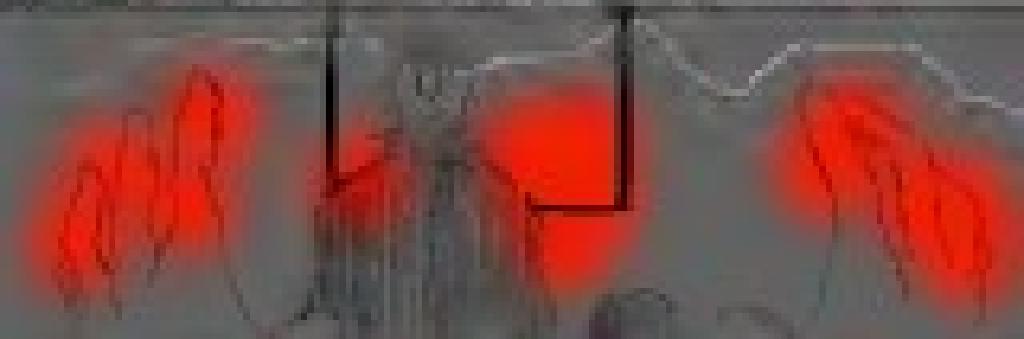

Sorry

On
course

Despite
that, am
I still
important?
Will we
a full house
together?

You
know?
The past is
present

Even
if you
are a
painting,
will
definitely
leave
this
place!

Liar

but
right
nothing
they were
just so
very busy
